Nanotech to Present at the 2017 Canaccord Genuity 37th Annual Growth Conference

VANCOUVER, British Columbia – August 1, 2017 – Nanotech Security Corp. (TSXV: NTS) (OTCQX: NTSFF), today announced that Troy Bullock, President and CFO, will be presenting at the 2017 Canaccord Genuity Growth Conference in Boston, Massachusetts on Wednesday August 9th at 4:30pm Eastern time.

About Nanotech Security

Nanotech designs, manufactures and markets advanced optical variable devices and colour shifting optical thin film products for branding and anti-counterfeiting purposes. The Company creates visual nano-optic images with colour shifting effects such as 3D, perceived movement, and can also display high-definition colours including skin tones, white, and black, which are not possible using traditional holographic technology. These unique products have brand protection and enhancement applications across a wide range of markets including banknotes, tax stamps, secure government documents, commercial branding, and the pharmaceutical industry. The Company is initially focusing its efforts on the banknote and tax stamp market due to its high margins and its recognizable customer base.
