### **Forward Looking Statement**

This news release contains forward-looking statements that involve risks and uncertainties. These forward-looking statements relate to anticipated developments in our operations in future periods, the adequacy of our financial resources, and events or conditions that may occur in the future. When used in this news release, the words such as "plan", "expects", "pursue", "will", and similar expressions or statements generally identify forward-looking statements. These statements reflect our current expectations. The principal risks related to these forward-looking statements are that the Company's intellectual property claims will not prove enforceable to provide the necessary commercial protection, the Company is not able to attract the necessary capital, and/or that the Company's products will not be able to displace entrenched hologram, metalized strip tagging, or other conventional anti-counterfeiting technologies sufficiently to allow for profitability. In light of the many risks and uncertainties, there can be no assurance that the forward-looking statements contained in this news release will be realized.
