Nanotech Nominated as Finalist for the BC Export Awards

VANCOUVER, British Columbia – November 16, 2017 – Nanotech Security Corp. (TSXV: NTS) (OTCQX: NTSFF) a leading innovator in the design and supply of advanced security products for the anti-counterfeiting market, has been nominated as one of the three finalists for the BC Export Awards in the Emerging Exporter category.

The BC Export Awards are the province's most prestigious awards paying tribute to the success and innovative approaches of BC export companies. The awards are presented by Business in Vancouver, the Government of British Columbia, and the BC Division of Canadian Manufacturers & Exporters with support from annual sponsors. This year's BC Export Awards will take place November 24, 2017 at the Hyatt Regency Hotel Vancouver. The full list of 2017 BC Export Awards Finalists can be found at www.bcexportawards.com/2017-finalists.

About Nanotech Security

Nanotech designs, manufactures and markets nano-optic products that have brand protection and enhancement applications across a wide range of markets including banknotes, tax stamps, secure government documents, commercial branding, and the pharmaceutical industry.

The Company's nano-optic technology employs arrays of billions of nano-indentations that are impressed or embossed onto a substrate material such as polymer, paper, metal, or fabric. By using sophisticated algorithms to direct an electron beam, the Company creates visual images with colour shifting effects such as 3D, perceived movement, and can also display high-definition colours including skin tones, and whites and blacks, which are not possible using holographic technology.

Additional information about Nanotech can be found at the Company's website www.nanosecurity.ca, the Canadian disclosure filings website www.sedar.com or the OTCMarkets disclosure filings website www.otcmarkets.com.
