Nanotech Named One of the Fastest-growing Companies in BC by Business in Vancouver

VANCOUVER, British Columbia – September 13, 2017 – Nanotech Security Corp. (TSXV: NTS) (OTCQX: NTSFF). Based on percentage growth in revenue, Nanotech ranked 50th among some of the top BC companies on Business in Vancouver's 100 Fastest Growing List. Nanotech saw a +146% increase in 5-year revenue growth from 2012 to 2016.

Technology and service industry businesses dominate the list with 80% coming from these two sectors, with tech companies having the largest presence on the list; 46 companies. This is the second year in a row that Nanotech has made the list. Let's wait and see what 2018 delivers.

About Nanotech Security

Nanotech Security Corp. has been a leading innovator in the design and production of advanced banknote and commercial branding authentication products. Nanotech's *KolourOptik*[®] and *Plasmogram*[™] products are nanotechnology based optical imaging product platforms originally inspired by the unique optical properties of the iridescent wings of the Blue Morpho butterfly. Our nano-optical products produce intense, high definition optically-variable images and colour-shift optical thin films. Activated by a simple tilt or rotation, with higher resolutions than the best LED-displays, they are ideal for authentication of currency, passports, and identification cards in addition to distinguishing branded goods from counterfeits.
